

MARITIME PAYROLL CARD

GUARANTEE SECURE PAYROLL DISTRIBUTION AT SEA

Our maritime solution is an award-winning industry-leading solution for your crew members

Wirecard's Maritime Payroll solution provides a safer alternative to cash payments that can help you increase company efficiency and crew member satisfaction. We seamlessly integrate into your existing payroll process to provide an electronic payment system providing your crew members flexible and secure access to funds.

The Solution

Our solution is a revolutionary payroll product that allows crew members to receive pay securely on a prepaid Visa® or Mastercard® card that is useable anywhere these cards are accepted globally. The solution even offers crew members the ability to send a portion of their pay home while still at sea via global deposit.

Key Benefits

Corporate Clients

- ▶ Eliminate cash from the payroll process
- ▶ Assign instant-issue cards on board the ship
- ▶ Automate all deposits
- ▶ FDIC insured deposit accounts

Benefits for Crew Members

- ▶ Fast and secure funds access with online/mobile account management
- ▶ No need to open a bank account or visit check-cashing location
- ▶ Crew member-configured fund transfers
- ▶ Global cash pickup through Western Union
- ▶ Cash access via ATM
- ▶ Crew member-friendly fee structure – no overdraft fees

How it Works

- ▶ Turn-key integration allows for easy upload of payroll data
- ▶ Cards are created and can be shipped to any United States location
- ▶ Funds are stored in an FDIC insured bank account for dispersal on payroll days
- ▶ On payday, crew members can immediately access and transfer funds
