

SALES INCENTIVE CARD

REWARD YOUR SALES FORCE FOR THEIR HARD WORK

Wirecard's Sales Incentive solution rewards your sales force for all of their hard work. We offer a payment vehicle preferred by sales personnel and corporations alike for its convenience, reliability, security, and servicing. No matter your sales incentive payment needs; whether you want to reward a sales representative for demonstrating outstanding performance, meeting a major milestone or capturing sales personnel mindshare, we have the payment solution for you. Our solution easily integrates into your current incentive payments process and provides additional brand touch points, financial efficiency, and streamlined operations.

Our relationship team has managed over 750 programs in North America.

The Solution

Our Sales Incentive solution is an omni-channel payment solution delivered via direct deposit, prepaid card, or virtual card and is usable anywhere Visa® or Mastercard® is accepted. With a virtual card, shortened fulfillment timelines allow sales personnel to have immediate access to funds and online fund management. Employers can trust our experience to ensure smooth integration with a consultative approach to program customization; including gamification, tiered reward structure, quiz, and survey.

Key Benefits

- ▶ Immediate payment delivery and access
- ▶ Offload escheatment liability
- ▶ Complete fraud protection
- ▶ Create a positive brand impression
- ▶ Reduce program and administrative costs
- ▶ Improve customer service with 24/7 multilingual support

How it Works

- ▶ Sales person receives a personalized prepaid Visa® or Mastercard® card
- ▶ Incentive payments will automatically deposit to the card accounts
- ▶ This is NOT a credit card or bank account - no credit checks or implications
- ▶ Turnkey integration allows for easy setup of ad hoc payments
