

MARITIME SUITE

GUARANTEE SECURE PAYROLL DISTRIBUTION AT SEA

Our Maritime Suite is an award-winning, industry-leading solution for your crew members.

Wirecard's Maritime Suite provides a safer alternative to cash and check payments that can help you increase company efficiency and crew member satisfaction. We seamlessly integrate into your existing payroll process to provide an electronic solution that gives your crew members flexible and secure access to funds.

The Solution

Our solution is a revolutionary payroll product that allows crew members to receive pay securely on a prepaid Visa® or Mastercard® card that is usable anywhere these cards are accepted globally. The solution even offers crew members the ability to send a portion of their pay home while still at sea via global deposit.

Key Benefits

Benefits for Corporate Clients

- ▶ A single, electronic method of payroll distribution for all crew members
- ▶ Best practices established from years of deployment experience with major cruise lines
- ▶ A program designed for compliance with applicable laws and regulations
- ▶ Better tracking and reporting for payroll payments
- ▶ Ability to provide instant-issue cards and payments aboard the ship
- ▶ No need to store or maintain individual bank account information for crew members

Benefits for Crew Members

- ▶ Security – electronic delivery of payroll, chip and PIN functionality, Zero Liability Protection and FDIC insurance
- ▶ Ability to instantly transact on payday with the card or cardholder website for international money transfers or online purchases
- ▶ Flexible cash access options with Payroll Suite – worldwide purchases, ATM withdrawals, bank teller cash withdrawals
- ▶ Ability to send money to international bank accounts or cash pickup locations in over 200 countries with competitive foreign exchange rates
- ▶ Crew-member-friendly fee structure – no overdraft fees

How It Works

- ▶ Turnkey integration allows for easy upload of payroll data
- ▶ Cards are created and can be shipped to any United States location
- ▶ Funds are stored in an FDIC-insured bank account for payday dispersal
- ▶ On payday, crew members can immediately access and transfer funds
